About Shine21

Shine21 is a registered charity based in North Yorkshire. We support families with a young child who has Down Syndrome. Our main aim is to empower the parents to help their little stars shine. We offer tailored developmental sessions, training to parents, loan resources to families and offer support and advice.

Duties include;

- Research and identify fundraising activities to share with the fundraising lead.
- Support the fundraising team in making the ideas come to life and bring vital funds into the charity.
- Attend monthly meetings to help plan upcoming fundraising events.
- Raise the profile of Shine21.
- Attend fundraising events to represent Shine21 and support at the event.
