

Shine21 Fundraising

Can you help our little stars shine even brighter?

Who we are

Registered charity number 1191103

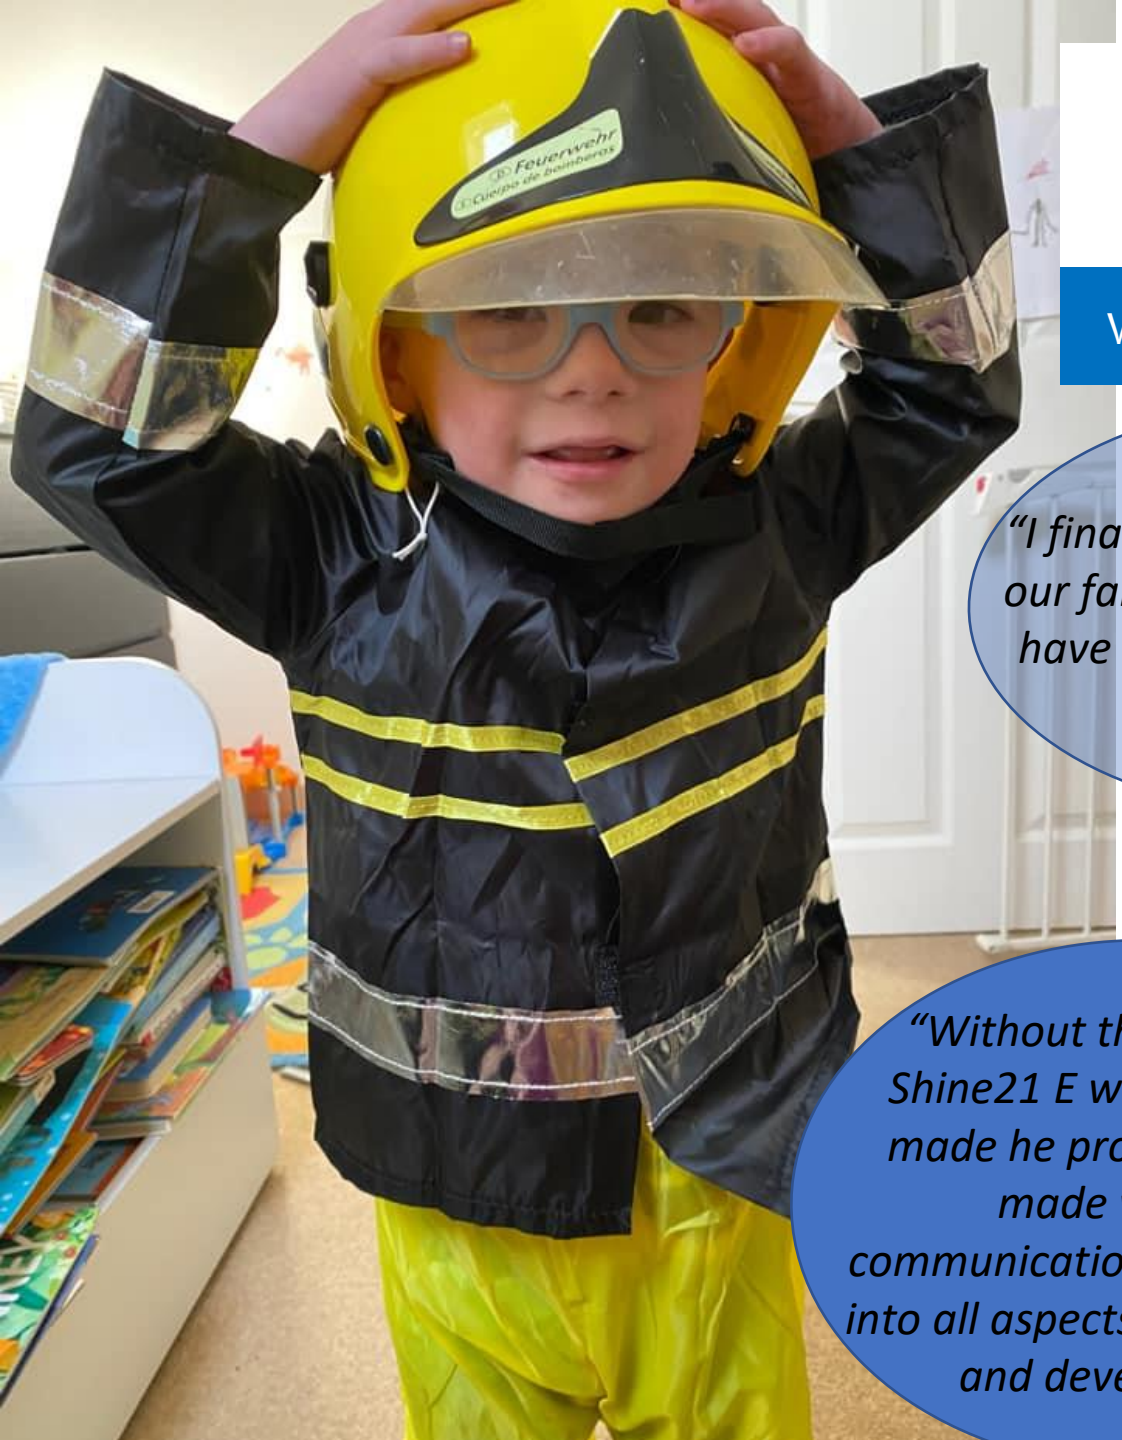

Shine21 is a registered charity run by parents of children with Down's Syndrome. We are based in North Yorkshire and currently offer support for young children and their families.

What we do

‘empowering parents to help their little stars shine’

- Host weekly developmental sessions with a trained speech and language therapist, and physiotherapy/Occupational Therapy and as well as lots of fun play activities!
- Run a resources library with access to books and equipment to support our child’s development, removing some of the financial burden from families
- Offer support for parents and expectant families with relevant and up-to-date information – and help with any decisions they may face.
- Fund both parents to receive Level 1 Makaton training so they can start their Makaton journey.
- Host specialist training and information sessions in areas such as potty training.
- Raise awareness about Down’s Syndrome and ensure our children are treated fairly and equally in day-to-day life.
- Operate a buddy system for families to discuss their children's condition with someone who has been on the same journey. This includes heart surgery, being in SCBU, respiratory conditions to name a few.
- Arrange social gatherings for families to meet and share their stories.
- Support the full family including grandparents, relatives and friends by offering Makaton taster sessions and a support network.

“We are so thankful to be part of Shine21, it has been an invaluable lifeline to both me and my child”

Our future aim is to have our own Shine21 premises whereby we can hold development sessions and additional clinics.

Over the year we will host a range of events and activities to raise funds towards this goal.
